Singular

Words can be **singular** or **plural**. When you are talking about one person, animal, place, or thing, use a **singular** word.

**Word File**

These are also singular nouns:
- an aeroplane
- a bicycle
- a boy
- a bus
- a comb
- a girl
- a key
- an owl
- a ship
- a train
- a flower
- a map
- a photograph
- a refrigerator
- a slide
- a swing
- a van
➢ Use a or an before singular word.
Use an before words beginning with vowels (a, e, i, o, u). For example, say:

an axe  an igloo
an egg  an orange
an envelope  an umbrella
an ice cream  an uncle

➢ But some words don’t follow this rule. For example, use a (not an) before these words that begin with u:

a uniform  a university

➢ Use a before words beginning with the other letters of the alphabet, called consonants.
For example, say:

a basket  a rainbow
a bowl  a monster
a car  a pillow
a hill  a watch
a house  a zoo

➢ But some words don’t follow this rule. For example, use an (not a) before these words that begin with h:

an honor
an hour
Plural

When you are talking about two or more people, animals, places or things, use **plural** words.

Most sounds are made plural by adding -s at the end.
